

Together we
have changed

1000
LIVES

In 2021 we set out to change
1000 young lives in eastern Nepal
by helping communities to deliver
brighter futures through better
education. Together we have done it!

Thank you to our generous supporters
and our dedicated teams in Nepal and
the UK.

Meet our Students

Tsering Wongdi
BSC (INFORMATION TECHNOLOGY)

“ I was the first in my family to go on to higher education, now I’m co-founder of two start-ups.

Abina

PLUS TWO
(A-LEVEL EQUIVALENT) LAW

“ I have seen how society discriminates based on caste and culture and I want to make a difference.

Sabin

BSC (ENGINEERING)

“ I achieved the highest GPA nationwide for my Plus Two (A-level equivalent) exams and I aspire to advance Nepal’s development, especially in education and technology in rural communities.

Chhiring
BSC (ENGINEERING)

“ I want to build a career in STEM and inspire girls wishing to follow the same path.

Sushma
BSC (MICROBIOLOGY)

“ Having completed my degree, I am now interning in a lab researching communicable diseases.

Bijaya
BBS
(BUSINESS STUDIES)

“ As a student from Solukhumbu, I wanted to make my family proud. When I reached higher education, it became more than a personal goal, I saw it as a way to uplift my community.

THANK YOU for your generosity and partnership in **transforming the lives** of more than **1000 young people** in eastern Nepal. Together, we have created lasting, **sustainable impact** through improved well-being, stronger educational outcomes and expanded access to education and career opportunities.

WE'RE NOT DONE YET...

Join our new **SUMMIT FUNDING CIRCLE** to change even more lives in Nepal over the next three years.

We need you to continue to support the growing numbers of young people coming into our six boarding houses and dynamic young Fellows in higher education. And Second Home, our new student centre in the Solukhumbu district capital.

Join the team and **become a Member** of our Summit Funding Circle with a three-year commitment to help create brighter futures through better education.
